

### Bavaria 39

Defying the old adage, the Bavaria 39 Cruiser adds a new twist of “more is definitely more”. At almost 40 feet overall, the 39 Cruiser is a refined replacement for the very popular 38. Featuring the newly styled Bavaria interior, incorporating six hull ports and two deck skylights that allow ample light to highlight a stylish new light mahogany interior, the 39 Cruiser is a refreshing addition to the new Bavaria Cruiser line

### Bavaria 47

You’re going to fall in love with the Bavaria 47. The rich African mahogany interior imparts the sensation of the classic yacht. Large skylights and cross ventilation allow for a sense of openness not often found in a yacht with the sailing potential of the 47.

### Bavaria 49

Bavaria has a well-deserved reputation for building yachts with truly aesthetic lines, but none engenders the term “WOW appeal” like the Bavaria 49. Regardless of whether you are savoring the amenities of the four- or five-cabin interior layout, enjoying the exhilaration of being on deck during a relaxing afternoon sail, or just standing on the dock watching her sail by, everything about the 49 speaks to pedigree
